Price: **Check with seller**

We supply plastic packaging tube which is made of PE and laminated material. It can be used for different industries, such as cosmetics, food, detergent and pharmaceuticals etc. We could offer many kinds of plastic tube specifications according to your requirements. We supply high-quality cosmetic tube and empty cosmetic tubes. It has several classification: single layer, double layer and multiple-layer soft tubes, classified into the clear tube, white tube, pearl's and colored tube; round tube, elliptical tube (flat tube) and so on. We provide supported products, for example, various covers: round headed, flat headed, cover-turning and metallic and so on. And we can make the devoted filling head according to customers' requirements. The tube lip gloss we provide is long lasting and waterproof and has high pigment. We have years of designers that assure delicate design, colorful and attracting style. With the excellent equipments and raw materials from overseas, our stable qualified products have achieved high reputation from our clients all over the world.
