Address:

243 Bryant Lane, 2 Miles NW Off Beaverton Valley, Friday Harbor

Price:

Free

Used as an office and temporary residence near Friday Harbor for nearly 20 years and no longer road worthy, I will share the tow cost of moving to a new use. Includes Onan generator, good frig, electric toaster oven, and like new, dark hewed, curtains and sofa. Built in Hollywood (for the 'stars') these VOGUES were the class motorhome of that era.
