51.68 beautiful acres in Elko county Nevada. A short drive from the Salt Lake City Area. A great place for you to practice social distancing or just escaping the city life.

We have flexibility in the financing terms we setup. We are excited to help you buy this land. What better way to use your stimulus money than to make an investment in something that will last. This land is perfect for camping, rv camping, four wheeling, dirt biking, and so much more. Shot me a message if you have any questions. Drone footage available of property
